

ROOSEVELT IS REJECTED

Democrats Make a Clean Sweep of the Nation

DIX IN NEW YORK

Wilson, Harmon, Foss and Baldwin Are Elected

Everidge Beaten for Senator in Indiana, Kean in New Jersey

CONGRESS DEMOCRATIC TOO

Not a Crumb of Comfort Anywhere for the Beaten Republicans

The Democratic victory was sweeping throughout the nation yesterday. Republican disaster was especially pronounced in States Theodore Roosevelt had campaigned actively.

New York, New Jersey, Massachusetts, Connecticut and Ohio have elected Democratic Governors by surprising pluralities. The Sixty-second Congress will be Democratic by 43 probably, and the Democrats have gained several Senators. The next House will have 216 Democrats, 133 Republicans and 2 Socialists.

In this State the Democratic candidate, John A. Dix, defeated Henry L. Stimson, Mr. Roosevelt's nominee, by a plurality approaching that of Charles E. Hughes in 1908, and the entire Democratic State ticket has been successful by a substantial margin. Dix wins by 62,000.

For the first time since 1894 the Democrats will control all the departments of the State government.

Mr. Dix's plurality in Greater New York compares favorably with the banner plurality Coler received in 1902. He carried the city by about 107,000. His triumph was made more decisive by Mr. Stimson's poor showing up State, the Republican candidate fared worse than any of his predecessors for many years.

The Democrats have won the Legislature, which will mean that a Democrat will be elected to succeed Chauncey M. Depew in the United States Senate. There will be a Democratic majority of 10 on joint ballot.

In New Jersey Woodrow Wilson has been elected over Vivian M. Lewis, the Republican candidate, by perhaps 37,000, and delayed returns made it appear that a Democratic Legislature has been chosen to elect a successor to John Kean. Mr. Wilson's vote in the big Republican contest was extraordinary.

In Massachusetts Foss defeated Gov. Draper 21,000. The Democrats are carrying Foss's election by 30,000 and the Republicans admit Draper's defeat by a lesser figure. Senator Henry Cabot Lodge will be re-elected, however, as the Massachusetts Legislature remains in the hands of the Republicans.

Connecticut turned to the Democrats and elected Judge Baldwin a handsome plurality against Charles A. Goodwin, the Republican candidate. Judge Baldwin's victory is attributed largely to the abuse which Mr. Roosevelt poured on him.

Ohio selected Guy Johnson Harmon over William J. Harrison, Harmon's manager, by a margin of 8,000, but though the Democrats made Harmon's reelection impossible, later returns will increase Harmon's vote. The Ohio Legislature will be Republican, which would mean a return to the United States Senate of John D. Owens.

Mr. Owens decided not to approve of Mr. Harmon's reelection, whose candidacy he had opposed himself as the main issue of the campaign. All indications were that last night were that the Legislature would be Democratic and John W. Kern will make the Democratic Senator from the House. Col. Roosevelt went to Indiana to the express purpose of helping Everidge out.

Mr. Kern has endorsed Representative William J. Burr, Democrat, over Senator J. Burr, the present Republican. This endorsement is morally

binding on the Legislature even if it should be Republican. Hitchcock, once William J. Bryan's strong supporter, was fought by Bryan in this campaign. The Republicans claim that their candidate for Governor has been elected.

The Republican candidate for Governor in Pennsylvania, John K. Tener, has been elected by a plurality that was estimated by his managers at 100,000, although the Democrats put it much lower. Tener was hard fought.

The Republicans got some cheer out of the defeat of Fiddling Bob Taylor for Governor in Tennessee. Hooper wins by about 10,000. Minnesota is 30,000 Republican, first time in some years. Kansas has probably reelected Stubbs, her Republican insurgent, but several insurgent candidates for Congress will have a tight squeeze. Iowa has likely gone Democratic, and Griik, Republican candidate for Congress, whom Mr. Roosevelt went out to help, is soundly beaten.

The Republicans are ahead in Colorado and have won North Dakota. But in Wyoming a combination of insurgent Republicans and Democrats downed the G. O. P. candidate for Governor. Oklahoma is Democratic, refusing suffrage for women, while Oregon gave her plurality to the Republicans.

The next Congress will surely be Democratic, possibly by 43. There were some curious results throughout the country. Herbert Parsons was defeated by Jefferson M. Levy in the Thirtieth district, William M. Bennett by Thomas G. Patten in the Fifteenth and William S. Bennett, whose plurality two years ago approached 10,000, by Henry George.

The Democrats won Mr. Roosevelt's own Congress district as well as his own county. Martin W. Littleton, the Democratic candidate, defeated William W. Cocks in the First Congress district, overturning what seemed a safe plurality.

J. Sloan Fassett of Elmira lost his seat, but the Republicans got a bit of consolation in the election of Danforth over Decker in the Monroe county district. Havens trounced Aldridge there last spring.

The Senate in the Sixty-second Congress probably will consist of 55 Republicans and 37 Democrats. The present Senate consists of 56 Republicans and 33 Democrats, with one Republican vacancy to which a Republican will be elected. Henry Cabot Lodge will be returned from Massachusetts, and the indications were that Dix would have a Republican Legislature in Ohio.

The Republicans probably will lose Senators from Indiana, Missouri, Nebraska, New Jersey and New York.

The constitutional amendment in this State providing for two more Judges of the Court of Appeals and for increasing the salaries of the Judges of that court, and Proposition No. 1, which submits to the people the law of 1910 for a \$2,500,000 bond issue to enable the State to accept Mrs. Harriman's gift of \$1,000,000 and 10,000 acres for the Palisade Interstate Park, are both undoubtedly carried.

MARYLAND DEMOCRATIC GAINS.

Congress Delegation Will Have Two Fewer Republicans.

BALTIMORE, Nov. 8.—Maryland to-day elected five Democratic and one Republican Congressman, a gain of two for the Democrats. The last delegation was composed of three Republicans and three Democrats.

The Congressmen elected are: First district, J. Harry Covington, Democrat, reelected; Second district, J. Fred Talbott, Democrat, reelected; Third district, George Konig, Democrat, who succeeds John Krommiller, Republican; Fourth district, J. Charles Linthicum, Democrat; Fifth district, Thomas Parran, Republican, who succeeds Sydney Muld, Republican; Sixth district, David J. Lewis, Democrat, who succeeds George A. Pearce, Republican.

The chief surprises are in the Third and Sixth districts, particularly the latter. The Third district embraces the eastern half of Baltimore city and has a large foreign population. John Krommiller, Republican, carried it two years ago by 600. In to-day's election in a total vote of 30,000 Konig, Democrat, leads by about 150 to 200. It may require the official canvass to determine the winner.

The tariff and high prices of food were the strong pleas made by the Democratic candidates in the two city districts, the Third and the Fourth. Konig made his campaign solely on the food price issue and thus obtained the votes of hundreds of the Polish Jews and other foreigners in the district who last time voted the Republican ticket.

In the Sixth district Republican dissonances are responsible for the defeat of Brainerd H. Warner, Jr., the Republican candidate. It is the first time the district has gone Democratic since 1892.

Congressman Pearce, Republican, could probably have been reelected, but he declined to be a candidate because of the differences in the party. The vote is apparently close, and in this, as in the Third district, it may require the official canvass to decide, although the returns indicate the election of Lewis by about 500 or more plurality.

Attempts were made to trick the negro voters in the southern counties in the Fifth district as usual. In several election districts in Anne Arundel county the names of the Congress candidates were so placed on the ticket as to confuse the ignorant negro voters. In one precinct which includes the town of Armiter two sets of ballots were used contrary to law.

The colored voters as they were told, had a juggling of the names made them vote for the Democrat instead of the Republican. Similar tricks were played in the other counties in which the negro vote is heavy. Notwithstanding the fact that a number of negroes lost their votes for the Republican candidate Parran, Republican, carried the district.

DIX IS ELECTED BY 65,000 PLURALITY

The Entire Democratic State Ticket Goes In With Him.

LEGISLATURE DEMOCRATIC

Roosevelt Nominees Cut in City and Country Districts Alike.

New York State elected the whole Democratic State ticket yesterday. Dix, Democrat, defeated Stimson, Rep. for Governor by 65,000 plurality. For the first time since 1894 the Democrats will control the executive departments of the State Government after January 1.

In 1908 Hughes, Rep., carried the State by a plurality of 57,000 over Hearst, Dem., and in 1904, a Presidential year, Hughes beat Chanler, Dem., by 60,000.

The Legislature is Democratic in both branches, and will elect a Democratic successor to United States Senator Chauncey M. Depew.

This year the candidates for minor offices on the Democratic ticket ran well up with Dix.

The Democratic State administration will be composed of these officers: Governor—JOHN A. DIX of Thomson.

Lieutenant-Governor—THOMAS F. CONWAY of Plattsburgh.

Secretary of State—EDWARD LAZANSKY of Brooklyn.

Comptroller—WILLIAM SOMMER of New York.

Treasurer—JOHN J. KENNEDY of Buffalo.

Attorney-General—THOMAS CARMODY of Penn Yan.

State Engineer—JOHN A. BENNEL of New York.

In 1908 the Democratic candidates for all State offices except Governor were elected. In 1902 Cullen, Dem. and Pro., was elected Attorney-General. With these exceptions the men elected yesterday are the first Democrats chosen to office since 1894, when Flower was elected Governor.

In the city of New York Dix's plurality is 108,000, and the total vote for Hearst for Lieutenant-Governor is 49,000.

BASS WINS.

New Hampshire Republican by 5,000.

Two Republican Congressmen Chosen.

CONCORD, N. H., Nov. 8.—Indications at this hour point to the election of Robert P. Bass (Reform), Republican candidate for Governor, by a plurality of at least 5,000.

Frank D. Currier is reelected for Congress from the Second district.

Cyrus A. Sullivan is also elected from the First district by a greatly reduced majority.

The Legislature will be Republican by a good margin. There is no United States Senator to be elected this year.

At 10 o'clock Clarence E. Carr, Democratic candidate for Governor, conceded the election of Robert P. Bass, the Republican candidate.

Reduced Fares in Chattanooga Train. Pennsylvania Railroad, general reduction New York State Central Railroad Memorial. Tickets sold from stations in the State of New York, November 9 to 13. Good returning to each original starting point on or before November 24. Consult Ticket Agents.—Ad.

LANDSLIDE HIS OHIO.

Harmon's Plurality May Be 50,000—Big Gain in Democratic Congressmen.

COLUMBUS, Ohio, Nov. 8.—Returns at 9:45 o'clock P. M. indicate that Gov. Harmon's plurality of 40,000 two years ago will be more than doubled in Ohio.

The Governor is making notable gains in the two large counties, Hamilton and Cuyahoga. The former is up by 20,000 and the latter by 25,000 in all probability.

He will lose Franklin county, in which is Columbus, but will make up the loss easily in half a dozen different counties.

Late returns indicate that the Democrats may have thirteen or fourteen of Ohio's twenty-one Congress districts. Democrats already assured of election are James Cox, Third; J. H. Goske, Fourth; Carl C. Anderson, Thirteenth; W. A. Ashbrook, Seventeenth; and R. H. Bulkeley, Twenty-first; while in the Twentieth, William Gordon, Democrat, probably has defeated Congressman Paul Howard. The Eighteenth district is closer, W. H. Whitacre, Canton, running so close to Congressman James Kennedy, Republican, as to make the official vote the only arbiter.

George White, Democrat, probably has defeated Congressman James Joyce in the Fifteenth and A. G. Allen is pressing Herman Goebel, Republican Congressman, in the Second. Congressman T. T. Ansberry, Fifth; M. R. Denver, Sixth; and Isaac Sherwood, Ninth, all Democrats, probably have won and Congressman W. G. Sharp, Fourteenth, may save his district, though George H. Chamberlain, Republican, is running close. That district is normally heavily Republican.

Nicholas Longworth, First; J. Warren Keifer, Seventh; D. A. Hollingsworth, Sixteenth; and W. A. Thomas, Nineteenth, all Republicans, were reelected. Frank B. Willis, Eighth; R. M. Switzer, Tenth; Albert Douglas, Eleventh; and E. L. Taylor, Jr., Twelfth, all Republicans, probably are reelected.

CINCINNATI, Ohio, Nov. 8.—Nicholas Longworth is reelected to Congress by the usual large majority of the First district, while his Republican colleague, Herrmann J. Goebel, is reelected by a very slight majority, if at all.

WEST VIRGINIA REPUBLICAN.

Democrats Elect Two Congressmen—Legislature Republican.

WHEELING, W. Va., Nov. 8.—Returns late to-night indicate that the Democrats have elected two out of the five Congressmen in West Virginia. John W. Davis, Democrat, has been elected over Charles Carrigan, Republican, in the First district, and W. G. Brown, Democrat, has been elected over Congressman George C. Sturgis, Republican, in the Second district.

Gaines, Republican, representing the Third district, has defeated Littlepage, Democrat; Congressman Woodard, Republican, has defeated Hamilton in the Fourth district, and James Hughes, Republican, the present Congressman from the Fifth district, has defeated Willey.

The Republican majorities were cut in the Third, Fourth and Fifth districts, but it is not possible that late returns from out of the way precincts will make any material change in the vote in these three districts.

Legislation are that the Legislature will be Republican, but by a very reduced majority. The complexion of the Legislature indicates the reelection of Senator N. B. Scott to the United States Senate.

PARKERSBURG, W. Va., Nov. 8.—John W. Davis for Congress in the First district, has a majority of nearly 5,000 over Carrington and is elected. The Republicans carry two districts without doubt, but the Fourth district is claimed by the Democrats by a small majority. Nearly all reports show heavy Democratic gains, insuring enough to overcome the Republican majorities in the Legislature making Scott's reelection to the Senate a matter of serious doubt. Both parties claim it to-night.

CALIFORNIA REPUBLICAN.

Johnson Probably Defeats Bell for Governor—Carries San Francisco.

SAN FRANCISCO, Nov. 8.—At 9:30 P. M. scattered returns show that the contest in California for Governor and a full State ticket is very close. In San Francisco Johnson (Rep.) defeated Bell by 1,000. Bell would have polled a much heavier vote had it not been for the large number of Socialist votes cast.

In Los Angeles, which was expected to go to Johnson, a majority of the will be forfeited if he receives 3,000 majority. For Congress it now looks as though the entire Republican ticket is elected, although Kahn at first seemed to be running against the anti-Lafollette men drove the anti-Lafollette men to the Democratic ticket.

The election of a Legislature which will again name Robert M. La Follette for United States Senator was a foregone conclusion.

INSURGENT KANSAS.

Stubbs Re-elected Governor by From 20,000 to 30,000.

TOPEKA, Kan., Nov. 9.—The insurgent Republicans retain their grip on Kansas. W. R. Stubbs was reelected Governor. Early estimates of his plurality, which are likely to be increased, range from 20,000 to 30,000. It is believed the entire Republican ticket is successful by pluralities similar to Stubbs's.

Both branches of the Legislature continue to be strongly Republican. D. R. Anthony, one of the two-standpat Republicans in Congress, is reelected. P. P. Campbell of Pittsburg, Kan., the other standpat nominee, was defeated.

INSURGENTS CARRY WYOMING.

Republican—Democratic Combination Wins Legislature Republican.

CHEYENNE, Wyo., Nov. 8.—The insurgents have carried Wyoming. Carve, insurgent Republican-Democrat for Governor, has probably carried the State by 2,000. Mondell, Republican, for Congress, is probably reelected by 4,000. The Legislature is Republican, insuring the reelection of Senator C. D. Clark.

ROOSEVELT'S ELECTION DISTRICT GOES FOR DIX.

OSTERVILLE, Nov. 8.—Stimson was beaten in Roosevelt's own election district. The vote was Stimson, 158; Dix, 218.

108,000 THE CITY PLURALITY FOR DIX

Roosevelt Campaign Goes to Wreck in Every Borough.

HEARST VOTE ONLY 49,000

Not a Republican Congressman Saved in This County—Losses for Legislature.

The city of New York gives Dix, Democrat, for Governor, 108,000 plurality over Stimson, Republican, which compares with 59,904 for Chanler over Hughes in 1908; 77,067 for Hearst over Hughes in 1906; 80,131 for Herrick over Higgins in 1904; and 122,633 for Coler over Odell in 1902.

New York county gives Mr. Dix 69,000 plurality. The largest Democratic plurality in the county for a candidate for Governor in twelve years preceding was Coler's 80,000 in 1902. Mr. Dix of course carries every borough.

The Hearst vote was about 26,000 in the county and about 49,000 in the city. The vote of the city for Governor, practically complete, is:

	Stimson, Rep.	Dix, Dem.	Hopkins, I. L.
Man & Bronx	99,933	145,000	20,000
Brooklyn	79,723	107,500	13,557
Queens	13,629	21,500	4,710
Richmond	5,055	9,051	753
Totals	198,340	383,051	40,017

Dix over Stimson, 108,711.

The city vote for Lieutenant-Governor, practically complete, is:

	Schoenbeck, Rep.	Conway, Dem.	Hearst, I. L.
Man & Bronx	99,933	157,300	20,142
Brooklyn	80,753	101,743	10,939
Queens	13,627	21,907	5,342
Richmond	5,053	10,454	853
Totals	199,393	311,304	47,275

Conway over Schoenbeck, 91,397.

Conway's plurality in the city for Lieutenant-Governor is about 17,000 less than Dix's.

The candidates for Secretary of State and so down the ticket have pluralities in this county running from 46,000 to 56,000.

The Republicans did not save a Congress district in this county. Levy, D., beat Parsons, Patten, D., beat Bennett with two 's, and Henry George beat the other Bennett.

In the last Legislature they had three Senators from New York county. This year they lose Agnew and elect Newcomb and Brough.

They elect 7 Assemblymen in the county this year. Last year they had thirteen and there was one Hearst man, Donovan, who won with their endorsement in the Thirtieth district.

John J. Delany, Tammany, is elected to the Supreme Court bench, defeating Justice Edward B. Whitney. Francis B. Delahanty, nominated by both parties, remains on the City Court bench.

The vote in detail is given elsewhere, revised up to the time of going to press. These are the pluralities for Governor in this county and in Greater New York since consolidation:

	New York County	Greater New York
1908—Chanler over Hughes	49,234	58,900
1906—Hearst over Hughes	48,000	77,067
1904—Herrick over Higgins	60,131	80,131
1902—Coler over Odell	80,000	122,633
1900—Stanchfield over Odell	58,064	41,285
1898—Van Wyck over Roosevelt	60,167	84,000

SOCIALISTS TO CONGRESS.

Two Candidates Elected in Wisconsin—State Republican by Reduced Plurality.

MILWAUKEE, Nov. 8.—Milwaukee will be represented in Congress by two Socialists as the result of to-day's election. The other eight Republican districts in Wisconsin have returned the incumbents. One Democrat is returned.

The Republican candidate for Governor, E. McGovern, is elected, but the factional split in the Republican party has resulted in a greatly reduced plurality. This is largely the result of the State Republicans' war on the sole anti-Lafollette candidate on the State ticket. This war against the anti-Lafollette men drove the anti-Lafollette men to the Democratic ticket.

The election of a Legislature which will again name Robert M. La Follette for United States Senator was a foregone conclusion.

INSURGENT KANSAS.

Stubbs Re-elected Governor by From 20,000 to 30,000.

TOPEKA, Kan., Nov. 9.—The insurgent Republicans retain their grip on Kansas. W. R. Stubbs was reelected Governor. Early estimates of his plurality, which are likely to be increased, range from 20,000 to 30,000. It is believed the entire Republican ticket is successful by pluralities similar to Stubbs's.

Both branches of the Legislature continue to be strongly Republican. D. R. Anthony, one of the two-standpat Republicans in Congress, is reelected. P. P. Campbell of Pittsburg, Kan., the other standpat nominee, was defeated.

INSURGENTS CARRY WYOMING.

Republican—Democratic Combination Wins Legislature Republican.

CHEYENNE, Wyo., Nov. 8.—The insurgents have carried Wyoming. Carve, insurgent Republican-Democrat for Governor, has probably carried the State by 2,000. Mondell, Republican, for Congress, is probably reelected by 4,000. The Legislature is Republican, insuring the reelection of Senator C. D. Clark.

ROOSEVELT'S ELECTION DISTRICT GOES FOR DIX.

OSTERVILLE, Nov. 8.—Stimson was beaten in Roosevelt's own election district. The vote was Stimson, 158; Dix, 218.

CONNECTICUT REBUKES T. R.

Elects Judge Baldwin Governor by a Plurality of About 5,000.

HARTFORD, Nov. 8.—Connecticut has gone into the Democratic column. In 130 towns
